

[Date]

[President's Full Name] President

[School Name]

[School Address]

Dear President [Last Name],

Good day.

We are a group of students with a strong interest in cybersecurity and digital safety, eager to contribute to improving the institution's security.

We respectfully request permission to conduct a cybersecurity assessment (penetration testing) on selected school systems. This activity aims to identify potential security vulnerabilities and provide actionable recommendations to strengthen the school's defenses.

If approved, we will coordinate a pre-engagement phase to define the scope, schedule, and rules of engagement before any testing begins.

Thank you for your time and consideration.

Respectfully,

[Your Name]

[Your Role / Team]
